

Aetna Medicare

Former Employer/Union/Trust Name: **SOUTHERN CALIFORNIA EDISON**

Group Agreement Effective Date: **01/01/2026**

Master Plan ID: **0015491, 0015495, 0015499, 0015507**

This *Schedule of Cost Sharing* is part of the *Evidence of Coverage* for Aetna Medicare Plan (HMO). Because this is an HMO plan, you must use network providers to get most of your medical care and services. For details and exceptions, see your Evidence of Coverage. When the *Evidence of Coverage* refers to the document with information on health care benefits covered under our plan, it is referring to this Medical Benefits Chart. (Go to Chapter 4, Medical Benefits Chart (what's covered and what you pay).) If you have questions on how to access any of your benefits, you can call our Member Services team at **1-833-943-5114**. (TTY users call **711**.) Hours are 8 AM to 9 PM EST, Monday through Friday. To locate a network provider visit [SCEMAPlans.aetnamedicare.com](https://www.sceMAPlans.aetnamedicare.com). We have also included contact information for certain benefits, where applicable, in the chart below.

Annual Deductible	
This is the amount you have to pay out-of-pocket before the plan will pay its share for your covered Medicare Part A and B services.	No Deductible
Annual Maximum Out-of-Pocket Limit	
The maximum out-of-pocket limit is the most you will pay for covered Medicare Part A and B services, including any deductible (if applicable).	\$0

Important information regarding the services listed below in the Schedule of Cost Sharing:

If you receive services from:	If your plan services include:	You will pay:
A primary care provider (PCP): <ul style="list-style-type: none"> • Family Practitioner • Internal Medicine • General Practitioner • Geriatrician • Physician Assistants (Not available in all states) • Nurse Practitioners (Not available in all states) <p>If you receive more than one covered service during the single visit.</p>	Copays only	One PCP copay.
	Copays and coinsurance	The PCP copay and the coinsurance amounts for each service.
	Coinsurance only	The coinsurance amounts for all services received.
An outpatient facility, specialist or doctor who is not a PCP and you receive more than one covered service during the single visit:	Copays only	The highest single copay for all services received.
	Copays and coinsurance	The highest single copay for all services and the coinsurance amounts for each service.
	Coinsurance only	The coinsurance amounts for all services received.

This apple shows preventive services in the Medical Benefits Chart.

Medical Benefits Chart

Covered Service	What you pay
<p> Abdominal aortic aneurysm screening A one-time screening ultrasound for people at risk. Our plan only covers this screening if you have certain risk factors and if you get a referral for it from your physician, physician assistant, nurse practitioner, or clinical nurse specialist.</p>	There is no coinsurance, copayment, or deductible for members eligible for this preventive screening.
<p>Acupuncture for chronic low back pain Covered services include: Up to 12 visits in 90 days are covered under the following circumstances:</p> <p>For the purpose of this benefit, chronic low back pain is defined as:</p> <ul style="list-style-type: none"> • lasting 12 weeks or longer; • nonspecific, in that it has no identifiable systemic cause (i.e., not associated with metastatic, inflammatory, infectious disease, etc.); • not associated with surgery; and • not associated with pregnancy. <p>An additional 8 sessions will be covered for patients demonstrating an improvement. No more than 20 acupuncture treatments may be administered annually.</p> <p>Treatment must be discontinued if the patient is not improving or is regressing.</p> <p>Provider Requirements: Physicians (as defined in 1861(r)(1) of the Social Security Act (the Act)) may furnish acupuncture in accordance with applicable state requirements.</p> <p>Physician assistants (PAs), nurse practitioners (NPs)/clinical nurse specialists (CNSs) (as identified in 1861(aa)(5) of the Act), and auxiliary personnel may furnish acupuncture if they meet all applicable state requirements and have:</p> <ul style="list-style-type: none"> • a master's or doctoral level degree in acupuncture or Oriental Medicine from a school accredited by the Accreditation Commission on Acupuncture and Oriental Medicine (ACAOM); and, • a current, full, active, and unrestricted license to practice acupuncture in a State, Territory, or Commonwealth (i.e., Puerto Rico) of the United States, or District of Columbia. 	\$0 copay for each Medicare-covered acupuncture visit.
<i>This service is continued on the next page</i>	

Covered Service	What you pay
Acupuncture for chronic low back pain (continued) Auxiliary personnel furnishing acupuncture must be under the appropriate level of supervision of a physician, PA, or NP/CNS required by our regulations at 42 CFR §§ 410.26 and 410.27.	
Acupuncture services (additional) In addition to the acupuncture services described above, we cover: <ul style="list-style-type: none"> • Acupuncture services in place of anesthesia for a surgical or dental procedure covered under the plan • Services for the relief of chronic pain • twenty visits every year <p>To find a network provider, call the Member Services number on your member ID card or visit our online directory at SCEMAPlans.aetnamedicare.com.</p> <p>Note: (i) Services must be medically necessary. (ii) Services must be provided by appropriately licensed individuals practicing within the scope of their license.</p>	\$0 copay for each additional non-Medicare covered acupuncture service.
Ambulance services Covered ambulance services, whether for an emergency or non-emergency situation, include fixed wing, rotary wing, and ground ambulance services, to the nearest appropriate facility that can provide care if they're furnished to a member whose medical condition is such that other means of transportation could endanger the person's health or if authorized by our plan. If the covered ambulance services aren't for an emergency situation, it should be documented that the member's condition is such that other means of transportation could endanger the person's health and that transportation by ambulance is medically required.	\$0 copay for each Medicare-covered one-way trip via ground or air ambulance.
Prior authorization rules may apply for non-emergency transportation services. Your network provider is responsible for requesting prior authorization. Annual routine physical The annual routine physical is an extensive physical exam including a medical history collection and it may also include any of the following: vital signs, observation of general appearance, a head and neck exam, a heart and lung exam, an abdominal exam, a neurological exam, a dermatological exam, and an extremities exam.	\$0 copay for an annual routine physical exam.
Coverage for this non-Medicare covered benefit is in addition to the Medicare-covered annual wellness visit and the Welcome to Medicare preventive visit. You may schedule your annual routine physical once each calendar year.	
Preventive labs, screenings, and/or diagnostic tests received	
<i>This service is continued on the next page</i>	

Covered Service	What you pay
Annual routine physical <i>(continued)</i> during this visit are subject to your lab and diagnostic test coverage. (See Outpatient diagnostic tests and therapeutic services and supplies for more information.)	
 Annual wellness visit If you've had Part B for longer than 12 months, you can get an annual wellness visit to develop or update a personalized prevention plan based on your current health and risk factors. Our plan will cover the annual wellness visit once each calendar year. Note: Your first annual wellness visit can't take place within 12 months of your Welcome to Medicare preventive visit. However, you don't need to have had a Welcome to Medicare visit to be covered for annual wellness visits after you've had Part B for 12 months.	There is no coinsurance, copayment, or deductible for the annual wellness visit.
 Bone mass measurement For qualified people (generally, this means people at risk of losing bone mass or at risk of osteoporosis), the following services are covered every 24 months or more frequently if medically necessary: procedures to identify bone mass, detect bone loss, or determine bone quality, including a physician's interpretation of the results.	There is no coinsurance, copayment, or deductible for Medicare-covered bone mass measurement.
 Breast cancer screening (mammograms) Covered services include: <ul style="list-style-type: none"> • One baseline mammogram between the ages of 35 and 39 • One screening mammogram each calendar year for women aged 40 and older • Clinical breast exams once every 24 months Prior authorization rules may apply. Your network provider is responsible for requesting prior authorization.	There is no coinsurance, copayment, or deductible for covered screening mammograms. \$0 copay for each diagnostic mammogram.
Cardiac rehabilitation services Comprehensive programs of cardiac rehabilitation services that include exercise, education, and counseling are covered for members who meet certain conditions with a doctor's order. Our plan also covers intensive cardiac rehabilitation programs that are typically more rigorous or more intense than cardiac rehabilitation programs.	\$0 copay for each Medicare-covered cardiac rehabilitation service. \$0 copay for each Medicare-covered intensive cardiac rehabilitation service.
 Cardiovascular disease risk reduction visit (therapy for cardiovascular disease) We cover one visit per year with your primary care doctor to help lower your risk for cardiovascular disease. During this visit, your doctor may discuss aspirin use (if appropriate), check your blood pressure, and give you tips to make sure you're eating healthy.	There is no coinsurance, copayment, or deductible for the intensive behavioral therapy cardiovascular disease preventive benefit.

Covered Service	What you pay
 Cardiovascular disease screening tests Blood tests for the detection of cardiovascular disease (or abnormalities associated with an elevated risk of cardiovascular disease) once every 5 years (60 months).	There is no coinsurance, copayment, or deductible for cardiovascular disease testing that is covered once every 5 years.
 Cervical and vaginal cancer screening Covered services include: <ul style="list-style-type: none"> • For all women: Pap tests and pelvic exams are covered once every 24 months • If you're at high risk of cervical or vaginal cancer or you're of childbearing age and have had an abnormal Pap test within the past 3 years: one Pap test every 12 months 	There is no coinsurance, copayment, or deductible for Medicare-covered preventive Pap and pelvic exams.
Chiropractic services Covered services include: <ul style="list-style-type: none"> • Manual manipulation of the spine to correct subluxation Prior authorization rules may apply. Your network provider is responsible for requesting prior authorization.	\$0 copay for each Medicare-covered chiropractic visit.
Chiropractic services (additional) In addition to the chiropractic service described above, we cover some additional specific services you receive from a licensed chiropractor. We cover unlimited visits every year with a licensed chiropractor for additional services. To locate a network provider, you may contact Member Services at the phone number on your member ID card or visit our online directory at SCEMAPPlans.aetnamedicare.com . Note: (i) Services must be medically necessary. (ii) Services must be provided by appropriately licensed individuals practicing within the scope of their license. Prior authorization rules may apply. Your network provider is responsible for requesting prior authorization.	\$0 copay for each additional non-Medicare covered chiropractic visit.
Chronic pain management and treatment services Covered monthly services for people living with chronic pain (persistent or recurring pain lasting longer than 3 months). Services may include pain assessment, medication management, and care coordination and planning. Prior authorization rules may apply. Your network provider is responsible for requesting prior authorization.	Cost sharing for this service will vary depending on individual services provided under the course of treatment.

Covered Service	What you pay
<p> Colorectal cancer screening The following tests are covered:</p> <ul style="list-style-type: none"> • Colonoscopy has no minimum or maximum age limitation and is covered once every 120 months (10 years) for patients not at high risk, or 48 months after a previous flexible sigmoidoscopy for patients who aren't at high risk for colorectal cancer, and once every 24 months for high risk patients after a previous screening colonoscopy. • Computed tomography colonography for patients 45 year and older who are not at high risk of colorectal cancer and is covered when at least 59 months have passed following the month in which the last screening computed tomography colonography was performed or 47 months have passed following the month in which the last screening flexible sigmoidoscopy or screening colonoscopy was performed. For patients at high risk for colorectal cancer, payment may be made for a screening computed tomography colonography performed after at least 23 months have passed following the month in which the last screening computed tomography colonography or the last screening colonoscopy was performed. • Flexible sigmoidoscopy for patients 45 years and older. Once every 120 months for patients not at high risk after the patient received a screening colonoscopy. Once every 48 months for high risk patients from the last flexible sigmoidoscopy or computed tomography colonography. • Screening fecal-occult blood tests for patients 45 years and older. Twice per calendar year. • Screening Guaiac-based fecal occult blood test (gFOBT) for patients 45 years and older. Twice per calendar year. • Multitarget stool DNA for patients 45 to 85 years of age and not meeting high risk criteria. Once every 3 years. • Blood-based Biomarker Tests for patients 45 to 85 years of age and not meeting high risk criteria. Once every 3 years. • Colorectal cancer screening tests include a follow-on screening colonoscopy after a Medicare covered non-invasive stool-based colorectal cancer screening test returns a positive result. • Colorectal cancer screening tests include a planned screening flexible sigmoidoscopy or screening colonoscopy that involves the removal of tissue or other matter, or other procedure furnished in connection with, as a result of, and in the same clinical encounter as the screening test. 	<p>There is no coinsurance, copayment, or deductible for a Medicare-covered colorectal cancer screening exam. This is also known as a preventive colonoscopy.</p> <p>Diagnostic colonoscopy: \$0 copay</p> <p>Note: If a polyp is removed or a biopsy is performed during a Medicare-covered screening or diagnostic colonoscopy, the polyp removal and associated pathology will be covered at \$0 copay.</p>

Covered Service	What you pay
<p>Dental services</p> <p>In general, preventive dental services (such as cleaning, routine dental exams, and dental x-rays) aren't covered by Original Medicare. However, Medicare pays for dental services in a limited number of circumstances, specifically when that service is an integral part of specific treatment of a person's primary medical condition. Examples include reconstruction of the jaw after a fracture or injury, tooth extractions done in preparation for radiation treatment for cancer involving the jaw, or oral exams prior to organ transplantation.</p> <p>Prior authorization rules may apply. Your network provider is responsible for requesting prior authorization.</p>	<p>\$0 copay for each Medicare-covered dental care service.</p>
<p> Depression screening</p> <p>We cover one screening for depression per year. The screening must be done in a primary care setting that can provide follow-up treatment and/or referrals.</p>	<p>There is no coinsurance, copayment, or deductible for an annual depression screening visit.</p>
<p> Diabetes screening</p> <p>We cover this screening (includes fasting glucose tests) if you have any of these risk factors: high blood pressure (hypertension), history of abnormal cholesterol and triglyceride levels (dyslipidemia), obesity, or a history of high blood sugar (glucose). Tests may also be covered if you meet other requirements, like being overweight and having a family history of diabetes.</p> <p>You may be eligible for up to 2 diabetes screenings every 12 months following the date of your most recent diabetes screening test.</p>	<p>There is no coinsurance, copayment, or deductible for the Medicare-covered diabetes screening tests.</p>
<p> Diabetes self-management training, diabetic services and supplies</p> <p>For all people who have diabetes (insulin and non-insulin users). Covered services include:</p> <ul style="list-style-type: none"> Supplies to monitor your blood glucose: blood glucose meter, blood glucose test strips, lancet devices and lancets, and glucose-control solutions for checking the accuracy of test strips and meters. For people with diabetes who have severe diabetic foot disease: one pair per calendar year of therapeutic custom-molded shoes (including inserts provided with such shoes) and 2 additional pairs of inserts, or one pair of depth shoes and 3 pairs of inserts (not including the non-customized removable inserts provided with such shoes). Coverage includes fitting. Diabetes self-management training is covered under certain conditions. 	<p>\$0 copay for each Medicare-covered supply to monitor blood glucose from Accu-Chek/Roche and TRUE/Trividia, or from a non-preferred provider when a prior authorization is received.</p> <p>\$0 copay for each pair of Medicare-covered diabetic shoes and inserts.</p> <p>\$0 copay for Medicare-covered diabetes self-management training.</p> <p>We cover diabetic supplies made by Accu-Chek/Roche and TRUE/Trividia. We exclusively cover Accu-Chek/Roche and TRUE/Trividia glucose meters and test strips. We also cover Accu-Chek/Roche and TRUE/Trividia lancets, solutions, and lancing devices. We do not cover other brands of meters</p>
<p><i>This service is continued on the next page</i></p>	

Covered Service	What you pay
<p> Diabetes self-management training, diabetic services and supplies <i>(continued)</i></p> <ul style="list-style-type: none"> Continuous glucose monitors (CGMs) are considered durable medical equipment (DME) and are subject to applicable DME cost sharing. <p>Important Blood Glucose Monitoring Information:</p> <ul style="list-style-type: none"> We exclusively cover Accu-Chek/Roche and TRUE/Trividia blood glucose meters and test strips as our preferred diabetic supplies. Non-Accu-Chek/Roche and non-TRUE/Trividia meters, and test strips may be covered if medically necessary, such as large font or talking meters for the visually impaired. You or your provider can request a medical exception, as a prior authorization is required. Some diabetic supplies are covered exclusively through Accu-Chek/Roche and TRUE/Trividia under your medical coverage with a \$0 copay. These supplies are available at network pharmacies. <p>Prior authorization rules may apply. Your network provider is responsible for requesting prior authorization.</p>	<p>and test strips unless you or your provider requests a medical exception and it is approved. Non-Accu-Chek/Roche and non-TRUE/Trividia meters and test strips without a medical exception, or a medical exception that is not approved, will not be covered.</p>
<p>Durable medical equipment (DME) and related supplies</p> <p>Covered items include, but aren't limited to: wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, and walkers.</p> <p>We cover all medically necessary DME covered by Original Medicare. Your provider must provide a prescription for covered DME and obtain prior authorization if required. Our plan recommends preauthorization of the service when provided by an out-of-network provider.</p> <p>In Original Medicare, there is a rental policy up to the purchase price for certain types of DME after making copayments for the rental period. The rental period typically lasts between 10 to 13 months. Once the purchase price is met, you can use the equipment as long as it is needed. Once it is no longer needed, the issuing provider will need to pick it up. Under certain limited circumstances we will transfer ownership of the DME item to you.</p> <p>The most recent list of participating network pharmacies and suppliers is available on our website at SCEMAPLans.aetnamedicare.com</p> <p><i>This service is continued on the next page</i></p>	<p>\$0 copay for each Medicare-covered durable medical equipment (DME) item.</p>

Covered Service	What you pay
<p>Durable medical equipment (DME) and related supplies <i>(continued)</i></p> <p>Continuous glucose monitors (CGMs) and supplies are available through participating DME providers.</p> <p>Dexcom and FreeStyle Libre continuous glucose monitors and sensors are available without a prior authorization at network pharmacies with a history of insulin usage in the past 6 months. For those not using insulin as part of their treatment plan, prior authorization will be required for monitors and sensors. Prior authorization for monitors and sensors may apply as well as exception requests if exceeding quantity limits that align to Medicare coverage guidance.</p> <p>For a list of DME providers, visit Aetna.com/dsepublicContent/assets/pdf/en/DME_National_Provider_Listing.pdf.</p> <p>Prior authorization rules may apply. Your network provider is responsible for requesting prior authorization.</p>	
<p>Emergency care</p> <p>Emergency care refers to services that are:</p> <ul style="list-style-type: none"> • Furnished by a provider qualified to furnish emergency services, and • Needed to evaluate or stabilize an emergency medical condition. <p>A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you're a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.</p> <p>Cost sharing for necessary emergency services you get out-of-network is the same as when you get these services in-network.</p> <p>This coverage is available worldwide (i.e., outside of the United States).</p> <p>In addition to Medicare-covered benefits, we also offer:</p> <ul style="list-style-type: none"> • Emergency care (worldwide) • Emergency ambulance services (worldwide) <p>You may have to pay the provider at the time of service and submit for reimbursement.</p>	<p>\$0 copay for emergency care.</p> <p>If you get emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must move to a network hospital for your care to continue to be covered OR you must have your inpatient care at the out-of-network hospital authorized by our plan and your cost is the cost sharing you would pay at a network hospital.</p> <p>\$0 copay for emergency care worldwide (i.e., outside the United States).</p> <p>\$0 copay for each one-way trip via ground or air ambulance worldwide (i.e., outside the United States).</p>

Covered Service	What you pay
<p>Fitness program (physical fitness) You are covered for a basic membership to any SilverSneakers® participating fitness facility.</p> <p>If you do not reside near a participating facility, or prefer to exercise at home, online classes and at-home fitness kits are available. You may order one fitness kit per year through SilverSneakers.</p> <p>Included with your basic SilverSneakers membership, you will also have access to online enrichment classes to support your health and wellness, as well as your mental fitness. Health and wellness classes include, but are not limited to: cooking, food & nutrition, and mindfulness. Mental fitness classes include, but are not limited to: new skills, organization, self-help, and staying connected. These classes can be accessed online by visiting SilverSneakers.com.</p> <p>To get started, you will need your SilverSneakers ID number. Please visit SilverSneakers.com or call SilverSneakers at 1-855-627-3795 (TTY: 711) to obtain this ID number. Then, bring this ID number with you when you visit a participating fitness facility. Information about participating facilities can be found by using the SilverSneakers website or by calling SilverSneakers.</p> <p>Important: You get a basic membership at any participating SilverSneakers location. Facility amenities may vary by participating location including but not limited to hours, days and class types.</p>	<p>\$0 copay for basic health club membership/fitness classes at participating SilverSneakers locations.</p>
<p> Health and wellness education programs</p> <p>24-Hour Nurse Line: You can talk to a registered nurse 24 hours a day, 7 days a week on the 24/7 Nurse Line. They can help with health-related questions when your doctor is not available. Call 1-855-493-7019 (TTY: 711). The registered nurse staff cannot diagnose, prescribe or give medical advice. If you need urgent or emergency care, call 911 and/or your doctor immediately.</p> <p>* While only your doctor can diagnose, prescribe or give medical advice, the 24-Hour Nurse Line can provide information on a variety of health topics.</p> <p>Health education: You can meet with a certified health educator or other qualified health professional to learn about health and wellness topics like: diabetes management, nutrition counseling, asthma education, and more. You have the option to meet one-on-one, in a group, or virtually. Ask your provider for information on how these services may help you.</p>	<p>There is no coinsurance, copayment, or deductible for the 24-Hour Nurse Line benefit.</p> <p>\$0 copay for Health education.</p>

Covered Service	What you pay
<p>Hearing services Diagnostic hearing and balance evaluations performed by your provider to determine if you need medical treatment are covered as outpatient care when you get them from a physician, audiologist, or other qualified provider.</p> <p>In addition to Medicare-covered benefits, we also offer:</p> <ul style="list-style-type: none"> • Routine hearing exams: one exam every twelve months 	<p>\$0 copay for each Medicare-covered hearing exam.</p> <p>\$0 copay for each non-Medicare covered routine hearing exam.</p>
<p>Hearing services — Hearing aids This is a reimbursement benefit towards the cost of hearing aids. You may see any licensed hearing provider in the U.S. You pay the provider for services and submit an itemized billing statement showing proof of payment to our plan. You must submit your documentation within 365 days from the date of service to be eligible for reimbursement. If approved, it can take up to 45 days for you to receive payment. If your request is incomplete, such as no itemization of services, or there is missing information, you will be notified by mail. You will then have to supply the missing information, which will delay the processing time.</p> <p>Notes:</p> <ul style="list-style-type: none"> • If you use a non-licensed provider, you will not receive reimbursement. • You are responsible for any charges above the reimbursement amount. <p><i>* Amounts you pay for hearing aids do not apply to your Out-of-Pocket Maximum.</i></p>	<p>Our plan will reimburse you up to 100% for two hearing aids every 12 months.</p>
<p> HIV screening For people who ask for an HIV screening test or are at increased risk for HIV infection, we cover:</p> <ul style="list-style-type: none"> • One screening exam every 12 months <p>If you are pregnant, we cover:</p> <ul style="list-style-type: none"> • Up to 3 screening exams during a pregnancy 	<p>There's no coinsurance, copayment, or deductible for members eligible for Medicare-covered preventive HIV screening.</p>
<p>Home health agency care Before you get home health services, a doctor must certify that you need home health services and will order home health services to be provided by a home health agency. You must be homebound, which means leaving home is a major effort.</p> <p>Covered services include, but aren't limited to:</p> <p><i>This service is continued on the next page</i></p>	<p>\$0 copay for each Medicare-covered home health service.</p> <p>\$0 copay for each Medicare-covered durable medical equipment (DME) item.</p>

Covered Service	What you pay
<p>Home health agency care <i>(continued)</i></p> <ul style="list-style-type: none"> • Part-time or intermittent skilled nursing and home health aide services (to be covered under the home health care benefit, your skilled nursing and home health aide services combined must total fewer than 8 hours per day and 35 hours per week.) • Physical therapy, occupational therapy, and speech therapy • Medical and social services • Medical equipment and supplies <p>Prior authorization rules may apply. Your network provider is responsible for requesting prior authorization.</p>	
<p>Home infusion therapy</p> <p>Home infusion therapy involves the intravenous or subcutaneous administration of drugs or biologicals to a person at home. The components needed to perform home infusion include the drug (for example, antivirals, immune globulin), equipment (for example, a pump), and supplies (for example, tubing and catheters).</p> <p>Prior to receiving home infusion services, they must be ordered by a doctor and included in your care plan.</p> <p>Covered services include, but aren't limited to:</p> <ul style="list-style-type: none"> • Professional services, including nursing services, furnished in accordance with our plan of care • Patient training and education not otherwise covered under the durable medical equipment benefit • Remote monitoring • Monitoring services for the provision of home infusion therapy and home infusion drugs furnished by a qualified home infusion therapy supplier 	<p>You will pay the cost sharing that applies to primary care provider services, specialist physician services (including certified home infusion providers), or home health services depending on where you received administration or monitoring services.</p> <p>(See Physician/Practitioner services, including doctor's office visits or Home health agency care for any applicable cost sharing.)</p> <p>Note: Home infusion drugs, pumps, and devices provided during a home infusion therapy visit are covered separately under your Durable medical equipment (DME) and related supplies benefit.</p>
<p>Hospice care</p> <p>You're eligible for the hospice benefit when your doctor and the hospice medical director have given you a terminal prognosis certifying that you're terminally ill and have 6 months or less to live if your illness runs its normal course. You can get care from any Medicare-certified hospice program. Our plan is obligated to help you find Medicare-certified hospice programs in our plan's service area, including programs we own, control, or have a financial interest in. Your hospice doctor can be a network provider or an out-of-network provider.</p> <p>Covered services include:</p> <p><i>This service is continued on the next page</i></p>	<p>When you enroll in a Medicare-certified hospice program, your hospice services and your Part A and Part B services related to your terminal prognosis are paid for by Original Medicare, not our plan.</p> <p>Hospice consultations are included as part of inpatient hospital care.</p> <p>Physician service cost sharing may apply for outpatient consultations.</p>

Covered Service	What you pay
<p>Hospice care <i>(continued)</i></p> <ul style="list-style-type: none"> • Drugs for symptom control and pain relief • Short-term respite care • Home care <p>When you're admitted to a hospice, you have the right to stay in our plan; if you stay in our plan you must continue to pay plan premiums.</p> <p>For hospice services and services covered by Medicare Part A or B that are related to your terminal prognosis: Original Medicare (rather than our plan) will pay your hospice provider for your hospice services and any Part A and Part B services related to your terminal prognosis. While you're in the hospice program, your hospice provider will bill Original Medicare for the services Original Medicare pays for. You'll be billed Original Medicare cost sharing.</p> <p>For services covered by Medicare Part A or B not related to your terminal prognosis: If you need non-emergency, non-urgently needed services covered under Medicare Part A or B and aren't related to your terminal prognosis, your cost for these services depends on whether you use a provider in our plan's network and follow plan rules (like there's a requirement to get prior authorization).</p> <ul style="list-style-type: none"> • If you get the covered services from a network provider and follow plan rules for getting service, you pay only our plan cost-sharing amount for in-network services • If you get the covered services from an out-of-network provider, you pay the cost sharing under Original Medicare <p>For services covered by Aetna Medicare Plan (HMO) but not covered by Medicare Part A or B: Aetna Medicare Plan (HMO) will continue to cover plan-covered services that aren't covered under Part A or B whether or not they're related to your terminal prognosis. You pay our plan cost-sharing amount for these services.</p> <p>Note: If you need non-hospice care (care that is not related to your terminal prognosis), you should contact us to arrange the services.</p> <p>Our plan covers hospice consultation services (one time only) for a terminally ill person who hasn't elected the hospice benefit.</p>	

Covered Service	What you pay
<p> Immunizations Covered Medicare Part B services include:</p> <ul style="list-style-type: none"> • Pneumonia vaccines • Flu/influenza shots (or vaccines), once each flu/influenza season in the fall and winter, with additional flu/influenza shots (or vaccines) if medically necessary • Hepatitis B vaccines if you're at high or intermediate risk of getting Hepatitis B • COVID-19 vaccines • Other vaccines if you're at risk and they meet Medicare Part B coverage rules 	<p>There is no coinsurance, copayment, or deductible for the pneumonia, flu/influenza, Hepatitis B, and COVID-19 vaccines.</p> <p>\$0 copay for all other vaccines covered under Medicare Part B.</p> <p>You may have to pay an office visit cost share if you get other services at the same time that you get vaccinated.</p>
<p>Inpatient hospital care Includes inpatient acute, inpatient rehabilitation, long-term care hospitals and other types of inpatient hospital services. Inpatient hospital care starts the day you're formally admitted to the hospital with a doctor's order. The day before you're discharged is your last inpatient day.</p> <p>Days covered: There is no limit to the number of days covered by our plan. Cost sharing is not charged on the day of discharge.</p> <p>Covered services include but aren't limited to:</p> <ul style="list-style-type: none"> • Semi-private room (or a private room if medically necessary) • Meals including special diets • Regular nursing services • Costs of special care units (such as intensive care or coronary care units) • Drugs and medications • Lab tests • X-rays and other radiology services • Necessary surgical and medical supplies • Use of appliances, such as wheelchairs • Operating and recovery room costs • Physical, occupational, and speech language therapy • Inpatient substance abuse services • Under certain conditions, the following types of transplants are covered: corneal, kidney, kidney-pancreatic, heart, liver, lung, heart/lung, bone marrow, stem cell, and intestinal/multivisceral. If you need a transplant, we'll arrange to have your case reviewed by a Medicare-approved transplant center that will decide whether you're a candidate for a transplant. Transplant providers may be local or outside of the 	<p>For each inpatient hospital stay, you pay: \$0 per stay.</p> <p>Cost sharing is charged for each medically necessary covered inpatient stay.</p> <p>If you get authorized inpatient care at an out-of-network hospital after your emergency condition is stabilized, your cost is the cost sharing you'd pay at a network hospital.</p>

<p>Meal benefit</p> <p>After you are discharged from a qualifying Inpatient Acute Hospital, Inpatient Psychiatric Hospital or Skilled Nursing Facility stay, you may be eligible to get up to 28 freshly prepared meals for a 14-day period. These meals are provided to help support your recovery or manage your health conditions.</p> <p>We have teamed up with NationsMarket™ to provide this benefit. After we confirm your eligibility, NationsMarket will contact you to coordinate the delivery.</p> <p>Note: Observation and outpatient stays do not qualify you for this benefit. Meals must be scheduled for delivery within three months of the qualifying discharge as long as you are enrolled in the plan.</p>	<p>\$0 copay for meals.</p>
<p> Medical nutrition therapy</p> <p>This benefit is for people with diabetes, renal (kidney) disease (but not on dialysis), or after a kidney transplant when ordered by your doctor.</p> <p>We cover 3 hours of one-on-one counseling services during the first year you get medical nutrition therapy services under</p> <p><i>This service is continued on the next page</i></p>	<p>There is no coinsurance, copayment, or deductible for members eligible for Medicare-covered medical nutrition therapy services.</p>

Covered Service	What you pay
 Medical nutrition therapy <i>(continued)</i> Medicare (this includes our plan, any other Medicare Advantage plan, or Original Medicare), and 2 hours each year after that. If your condition, treatment, or diagnosis changes, you may be able to get more hours of treatment with a physician's order. A physician must prescribe these services and renew their order yearly if your treatment is needed into the next calendar year.	
 Medicare Diabetes Prevention Program (MDPP) MDPP services are covered for eligible people under all Medicare health plans. MDPP is a structured health behavior change intervention that provides practical training in long-term dietary change, increased physical activity, and problem-solving strategies for overcoming challenges to sustaining weight loss and a healthy lifestyle.	There is no coinsurance, copayment, or deductible for the MDPP benefit.
Medicare Part B drugs These drugs are covered under Part B of Original Medicare. Members of our plan receive coverage for these drugs through our plan. Covered drugs include: <ul style="list-style-type: none"> • Drugs that usually aren't self-administered by the patient and are injected or infused while you get physician, hospital outpatient, or ambulatory surgical center services • Insulin furnished through an item of durable medical equipment (such as a medically necessary insulin pump) • Other drugs you take using durable medical equipment (such as nebulizers) that were authorized by our plan • The Alzheimer's drug, Leqembi®, (generic name lecanemab), which is administered intravenously. In addition to medication costs, you may need additional scans and tests before and/or during treatment that could add to your overall costs. Talk to your doctor about what scans and tests you may need as part of your treatment • Clotting factors you give yourself by injection if you have hemophilia • Transplant/immunosuppressive drugs: Medicare covers transplant drug therapy if Medicare paid for your organ transplant. You must have Part A at the time of the covered transplant, and you must have Part B at the time you get immunosuppressive drugs. • Injectable osteoporosis drugs, if you're homebound, have a bone fracture that a doctor certifies was related to post-menopausal osteoporosis, and can't self-administer the drug • Some antigens: Medicare covers antigens if a doctor prepares them and a properly instructed person (who could be you, the patient) gives them under appropriate supervision 	\$0 copay per prescription or refill. \$0 copay for each chemotherapy or infusion therapy Part B drug. \$0 copay for the administration of the chemotherapy drug as well as for infusion therapy. \$0 copay for each allergy shot. You may have to pay an office visit cost share if you get other services at the same time that you get the allergy shot. \$0 copay for each insulin Part B drug. Part B drugs may be subject to Step Therapy requirements.

<p> Pre-exposure prophylaxis (PrEP) for HIV prevention If you don't have HIV, but your doctor or other health care practitioner determines you're at an increased risk for HIV, we cover pre-exposure prophylaxis (PrEP) medication and related services.</p> <p>If you qualify, covered services include:</p> <ul style="list-style-type: none"> • FDA-approved oral or injectable PrEP medication. If you're getting an injectable drug, we also cover the fee for injecting the drug. • Up to 8 individual counseling sessions (including HIV risk assessment, HIV risk reduction, and medication adherence) every 12 months. • Up to 8 HIV screenings every 12 months. • A one-time hepatitis B virus screening. 	<p>There is no coinsurance, copayment, or deductible for each Medicare-covered PrEP service.</p>
<p> Prostate cancer screening exams For men aged 50 and older, covered services include the following once every 12 months:</p> <ul style="list-style-type: none"> • Digital rectal exam • Prostate Specific Antigen (PSA) test 	<p>\$0 copay for each Medicare-covered digital rectal exam.</p> <p>There is no coinsurance, copayment, or deductible for an annual PSA test.</p>
<p>Prosthetic and orthotic devices and related supplies Devices (other than dental) that replace all or part of a body part or function. These include but aren't limited to testing, fitting, or training in the use of prosthetic and orthotic devices; as well as colostomy bags and supplies directly related to colostomy care, pacemakers, braces, prosthetic shoes, artificial limbs, and breast prostheses (including a surgical brassiere after a mastectomy). Includes certain supplies related to prosthetic and orthotic devices, and repair and/or replacement of prosthetic and orthotic devices. Also includes some coverage following cataract removal or cataract surgery – go to <i>Vision care</i> later in this table.</p> <p>Prior authorization rules may apply. Your network provider is responsible for requesting prior authorization.</p>	<p>\$0 copay for each Medicare-covered prosthetic and orthotic device.</p> <p>Your cost share for medical supplies is based upon the provider of services.</p>
<p>Pulmonary rehabilitation services Comprehensive programs of pulmonary rehabilitation are covered for members who have moderate to very severe chronic obstructive pulmonary disease (COPD) and an order for pulmonary rehabilitation from the doctor treating the chronic respiratory disease.</p>	<p>\$0 copay for each Medicare-covered pulmonary rehabilitation service.</p>
<p>Resources For Living® Resources For Living consultants provide research services for members on such topics as caregiver support, household services, eldercare services, activities, and volunteer</p>	<p>There is no coinsurance, copayment, or deductible for Resources For Living.</p>
<p><i>This service is continued on the next page</i></p>	

Covered Service	What you pay
<p>Resources For Living® <i>(continued)</i></p> <p>opportunities. The purpose of the program is to assist members in locating local community services and to provide resource information for a wide variety of eldercare and life-related issues. Call Resources For Living to find services in your area at 1-866-370-4842 (TTY: 711), Monday–Friday, 8 AM to 8 PM ET. A resource consultant will answer your call.</p>	
<p> Screening and counseling to reduce alcohol misuse</p> <p>We cover one alcohol misuse screening for adults (including pregnant women) who misuse alcohol but aren't alcohol dependent.</p> <p>If you screen positive for alcohol misuse, you can get up to 4 brief face-to-face counseling sessions per year (if you're competent and alert during counseling) provided by a qualified primary care doctor or practitioner in a primary care setting.</p>	<p>There is no coinsurance, copayment, or deductible for the Medicare-covered screening and counseling to reduce alcohol misuse preventive benefit.</p>
<p> Screening for Hepatitis C Virus infection</p> <p>We cover one Hepatitis C screening if your primary care doctor or other qualified health care provider orders one and you meet one of these conditions:</p> <ul style="list-style-type: none"> • You're at high risk because you use or have used illicit injection drugs. • You had a blood transfusion before 1992. • You were born between 1945-1965. <p>If you were born between 1945-1965 and aren't considered high risk, we pay for a screening once. If you're at high risk (for example, you've continued to use illicit injection drugs since your previous negative Hepatitis C screening test), we cover yearly screenings.</p>	<p>There is no coinsurance, copayment, or deductible for each Medicare-covered screening for the Hepatitis C Virus.</p>
<p> Screening for lung cancer with low dose computed tomography (LDCT)</p> <p>For qualified people, a LDCT is covered every 12 months.</p> <p>Eligible members are people age 50–77 who have no signs or symptoms of lung cancer, but who have a history of tobacco smoking of at least 20 pack-years and who currently smoke or have quit smoking within the last 15 years, who get an order for LDCT during a lung cancer screening counseling and shared decision-making visit that meets the Medicare criteria for such visits and be furnished by a physician or qualified non-physician practitioner.</p> <p><i>For LDCT lung cancer screenings after the initial LDCT screening:</i> the members must get an order for LDCT lung cancer screening, which may be furnished during any appropriate visit with a physician or qualified non-physician practitioner. If a physician or qualified non-physician</p> <p><i>This service is continued on the next page</i></p>	<p>There is no coinsurance, copayment, or deductible for the Medicare-covered counseling and shared decision making visit or for the LDCT.</p>

Covered Service	What you pay
 Screening for lung cancer with low dose computed tomography (LDCT) (continued) practitioner elects to provide a lung cancer screening counseling and shared decision-making visit for later lung cancer screenings with LDCT, the visit must meet the Medicare criteria for such visits.	
 Screening for sexually transmitted infections (STIs) and counseling to prevent STIs We cover sexually transmitted infection (STI) screenings for chlamydia, gonorrhea, syphilis, and Hepatitis B. These screenings are covered for pregnant women and for certain people who are at increased risk for an STI when the tests are ordered by a primary care provider. We cover these tests once every 12 months or at certain times during pregnancy. We also cover up to 2 individual 20 to 30 minute, face-to-face high-intensity behavioral counseling sessions each year for sexually active adults at increased risk for STIs. We only cover these counseling sessions as a preventive service if they are provided by a primary care provider and take place in a primary care setting, such as a doctor's office.	There is no coinsurance, copayment, or deductible for the Medicare-covered screening for STIs and counseling for STIs preventive benefit.
Services to treat kidney disease Covered services include: <ul style="list-style-type: none"> Kidney disease education services to teach kidney care and help members make informed decisions about their care. For members with stage IV chronic kidney disease when referred by their doctor, we cover up to 6 sessions of kidney disease education services per lifetime Outpatient dialysis treatments (including dialysis treatments when temporarily out of the service area, as explained in Chapter 3 of the <i>Evidence of Coverage</i>, or when your provider for this service is temporarily unavailable or inaccessible) Inpatient dialysis treatments (if you're admitted as an inpatient to a hospital for special care) Self-dialysis training (includes training for you and anyone helping you with your home dialysis treatments) Home dialysis equipment and supplies Certain home support services (such as, when necessary, visits by trained dialysis workers to check on your home dialysis, to help in emergencies, and check your dialysis equipment and water supply) <p>Certain drugs for dialysis are covered under Medicare Part B. For information about coverage for Part B Drugs, go to Medicare Part B drugs in this table.</p> <p>Prior authorization rules may apply. Your network provider is responsible for requesting prior authorization.</p>	<p>\$0 copay for self-dialysis training.</p> <p>\$0 copay for each Medicare-covered kidney disease education session.</p> <p>\$0 copay for in- and out-of-area outpatient dialysis.</p> <p>For each inpatient hospital stay, you pay: \$0 per stay.</p> <p>Cost sharing is charged for each medically necessary covered inpatient stay.</p> <p>If you get authorized inpatient care at an out-of-network hospital after your emergency condition is stabilized, your cost is the cost sharing you'd pay at a network hospital.</p> <p>\$0 copay for home dialysis equipment and supplies.</p> <p>\$0 copay for Medicare-covered home support services.</p>

Covered Service	What you pay
<p>Skilled nursing facility (SNF) care (For a definition of skilled nursing facility care, go to Chapter 10 of the <i>Evidence of Coverage</i>. Skilled nursing facilities are sometimes called SNFs.)</p> <p>Days covered: unlimited days per benefit period. A prior hospital stay is not required.</p> <p>Covered services include but aren't limited to:</p> <ul style="list-style-type: none"> • Semiprivate room (or a private room if medically necessary) • Meals, including special diets • Skilled nursing services • Physical therapy, occupational therapy and speech therapy • Drugs administered to you as part of our plan of care (this includes substances that are naturally present in the body, such as blood clotting factors.) • Blood – including storage and administration. Coverage of whole blood and packed red cells starts with the first pint of blood you need. All components of blood are covered starting with the first pint. • Medical and surgical supplies ordinarily provided by SNFs • Laboratory tests ordinarily provided by SNFs • X-rays and other radiology services ordinarily provided by SNFs • Use of appliances such as wheelchairs ordinarily provided by SNFs • Physician/Practitioner services <p>Generally, you get SNF care from network facilities. Under certain conditions listed below, you may be able to pay in-network cost sharing for a facility that isn't a network provider, if the facility accepts our plan's amounts for payment.</p> <ul style="list-style-type: none"> • A nursing home or continuing care retirement community where you were living right before you went to the hospital (as long as it provides skilled nursing facility care) • A SNF where your spouse or domestic partner is living at the time you leave the hospital <p>Prior authorization rules may apply. Your network provider is responsible for requesting prior authorization.</p>	<p>\$0 per day for each Medicare-covered SNF stay.</p> <p>A benefit period begins the day you go into a hospital or skilled nursing facility. The benefit period ends when you haven't received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row, including your day of discharge. If you go into a hospital or a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods you can have.</p>
<p> Smoking and tobacco use cessation (counseling to stop smoking or tobacco use) Smoking and tobacco use cessation counseling is covered for outpatient and hospitalized patients who meet these criteria:</p>	<p>There is no coinsurance, copayment, or deductible for the Medicare-covered smoking and tobacco use cessation preventive benefits.</p> <p>\$0 copay for each additional</p>
<p><i>This service is continued on the next page</i></p>	

Covered Service	What you pay
 Smoking and tobacco use cessation (counseling to stop smoking or tobacco use) <i>(continued)</i> <ul style="list-style-type: none"> • Use tobacco, regardless of whether they exhibit signs or symptoms of tobacco-related disease • Are competent and alert during counseling • A qualified physician or other Medicare-recognized practitioner provides counseling <p>We cover 2 cessation attempts per year (each attempt may include a maximum of 4 intermediate or intensive sessions, with the patient getting up to 8 sessions per year.)</p> <p>In addition to Medicare-covered benefits, we also offer:</p> <ul style="list-style-type: none"> • Additional (non-Medicare covered) individual and group face-to-face intermediate and intensive counseling sessions: unlimited visits every year 	<p>non-Medicare covered smoking and tobacco use cessation visit.</p>
<p>Special Supplemental Benefits You may be eligible for additional benefits. Please see the Special Supplemental Benefits Chart following the Medical Benefits Chart for information on benefits and eligibility requirements.</p>	<p>See the Special Supplemental Benefits Chart for information.</p>
<p>Supervised Exercise Therapy (SET) SET is covered for members who have symptomatic peripheral artery disease (PAD) and a referral for PAD from the physician responsible for PAD treatment.</p> <p>Up to 36 sessions over a 12-week period are covered if the SET program requirements are met.</p> <p>The SET program must:</p> <ul style="list-style-type: none"> • Consist of sessions lasting 30-60 minutes, comprising a therapeutic exercise-training program for PAD in patients with claudication • Be conducted in a hospital outpatient setting or a physician's office • Be delivered by qualified auxiliary personnel necessary to ensure benefits exceed harms and who are trained in exercise therapy for PAD • Be under the direct supervision of a physician, physician assistant, or nurse practitioner/clinical nurse specialist who must be trained in both basic and advanced life support techniques <p>SET may be covered beyond 36 sessions over 12 weeks for an additional 36 sessions over an extended period of time if deemed medically necessary by a health care provider.</p>	<p>\$0 copay for each Medicare-covered Supervised Exercise Therapy service.</p>

Covered Service	What you pay
<p>Transportation services (non-emergency) We cover:</p> <ul style="list-style-type: none"> • 24 one-way trips to and from plan-approved locations each year <p>Trips must be within 60 miles of provider location.</p> <p>Coverage includes trips to and from providers or facilities for services that your plan covers. The transportation service will accommodate urgent requests for hospital discharge, dialysis, and trips that your medical provider considers urgent. The service will try to accommodate specific physical limitations or requirements. However, it limits services to wheelchair, taxi, or sedan transportation vehicles.</p> <ul style="list-style-type: none"> • Transportation services are administered through MTM Health • To arrange for transport, call 1-855-814-1699 (TTY: 711), Monday through Friday, 7 AM to 8 PM local time • You must schedule transportation service at least two business days before the appointment • You must cancel up to one business day in advance, or MTM Health will deduct the trip from the remaining number of trips available • This program doesn't support stretcher vans/ambulances 	<p>\$0 copay per trip.</p>
<p>Urgently needed services A plan-covered service requiring immediate medical attention that's not an emergency is an urgently needed service if either you're temporarily outside our plan's service area, or, even if you're inside our plan's service area, it's unreasonable given your time, place, and circumstances to get this service from network providers. Our plan must cover urgently needed services and only charge you in-network cost sharing. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.</p> <p>In addition to Medicare-covered benefits, we also offer:</p> <ul style="list-style-type: none"> • Urgent care (worldwide) <p>You may have to pay the provider at the time of service and submit for reimbursement.</p>	<p>\$0 copay for each Medicare-covered urgent care facility visit.</p> <p>(See Physician/Practitioner services, including doctor's office visits for information about urgently needed services provided in a physician's office.)</p> <p>\$0 copay for each urgent care facility visit worldwide (i.e., outside the United States).</p>

Covered Service	What you pay
<p> Vision care Covered services include:</p> <ul style="list-style-type: none"> • Outpatient physician services for the diagnosis and treatment of diseases and injuries of the eye, including treatment for age-related macular degeneration. Original Medicare doesn't cover routine eye exams (eye refractions) for eyeglasses/contacts. • For people who are at high risk for glaucoma, we cover one glaucoma screening every 12 months. People at high risk of glaucoma include people with a family history of glaucoma, people with diabetes, African Americans who are age 50 and older and Hispanic Americans who are 65 or older. • For people with diabetes, screening for diabetic retinopathy is covered once per year. • One pair of eyeglasses or contact lenses after each cataract surgery that includes insertion of an intraocular lens. If you have 2 separate cataract operations, you can't reserve the benefit after the first surgery and purchase 2 eyeglasses after the second surgery. <p>In addition to Medicare-covered benefits, we also offer:</p> <ul style="list-style-type: none"> • Non-Medicare covered eye exams: one exam every year • Follow-up diabetic eye exam 	<p>\$0 copay for each Medicare-covered eye exam. If you receive additional services during the eye exam, such as but not limited to lab, diagnostic testing, and/or specialist treatment, you may also be responsible for a cost share for those additional services received.</p> <p>\$0 copay for each Medicare-covered glaucoma screening.</p> <p>\$0 copay for one diabetic retinopathy screening.</p> <p>\$0 copay for each follow-up diabetic eye exam.</p> <p>\$0 copay for one pair of eyeglasses or contact lenses after each cataract surgery. Coverage includes conventional eyeglasses, traditional lenses, bifocals, trifocals, progressive lenses, or contact lenses. Designer frames are excluded.</p> <p>\$0 copay for each non-Medicare covered routine eye exam. If you receive additional services during the eye exam, such as but not limited to lab, diagnostic testing, and/or specialist treatment, you may also be responsible for a cost share for those additional services received.</p>
<p> Welcome to Medicare preventive visit The plan covers the one-time Welcome to Medicare preventive visit. The visit includes a review of your health, as well as education and counseling about the preventive services you need (including certain screenings and shots (or vaccines)), and referrals for other care if needed.</p> <p>Important: We cover the Welcome to Medicare preventive visit only within the first 12 months you have Medicare Part B. When you make your appointment, let your doctor's office know you want to schedule your Welcome to Medicare preventive visit.</p>	<p>There is no coinsurance, copayment, or deductible for the Welcome to Medicare preventive visit.</p> <p>\$0 copay for a Medicare-covered EKG screening following the Welcome to Medicare preventive visit.</p>
<p>Wigs This benefit is offered for hair loss as a result of chemotherapy.</p> <p>You can purchase wigs through a durable medical equipment (DME) supplier or supplier of your choice. Plan pays up to \$400 every year. You are responsible for any costs over the benefit amount.</p>	<p>\$0 copay for a wig.</p>
<p><i>This service is continued on the next page</i></p>	

Covered Service	What you pay
Wigs <i>(continued)</i> To find a DME supplier you can call the phone number on your Member ID card or visit our online directory at SCEMAPlans.aetnamedicare.com . If you choose to use a supplier that is not in the DME network, you will need to pay out-of-pocket and submit a claim for reimbursement along with the receipt. You will only be reimbursed up to the benefit amount. You can find the reimbursement form at AetnaMedicare.com/forms .	

Note: See Chapter 4, Section 2 of the *Evidence of Coverage* for information on prior authorization rules.

Due to legislation in Arkansas, effective January 1, 2026, you may not be able to utilize the following services within the state of Arkansas, unless a court takes action: CVS Retail, CVS Caremark Mail Service, CVS Specialty, and OMNI Care long term pharmacies.

Special Supplemental Benefits Chart

Members enrolled in this plan may qualify for additional benefits. The chart below describes the eligibility requirements and benefits that may be available.

In-Home Support Post-Discharge

Eligibility requirements:

If you are diagnosed with one or more of the chronic conditions listed below and meet certain criteria, you may be eligible for additional benefits under our plan. Enrollment in the plan does not guarantee eligibility. You will receive Special Supplemental Benefits after it is determined that you meet the eligibility requirements.

- Anemia
- Autoimmune disorders limited to:
 - Dermatomyositis
 - Polyarteritis nodosa
 - Polymyalgia rheumatica
 - Polymyositis
 - Psoriatic arthritis
 - Rheumatoid arthritis
 - Scleroderma
 - Systemic lupus erythematosus
- Cancer
- Cardiovascular disorders limited to:
 - Cardiac arrhythmias
 - Coronary artery disease
 - Peripheral vascular disease
 - Valvular heart disease
- Chronic alcohol use disorder and other substance use disorders (SUDS)
- Chronic and disabling mental health conditions limited to:
 - Anxiety disorders
 - Bipolar disorders
 - Eating disorders
 - Major depressive disorders
 - Paranoid disorder
 - Post-traumatic stress disorder (PTSD)
 - Schizophrenia
 - Schizoaffective disorder
- Chronic conditions that impair vision, hearing (deafness), taste, touch and smell
- Chronic gastrointestinal disease limited to:
 - Chronic liver disease
 - Hepatitis B
 - Hepatitis C
 - Irritable bowel syndrome
 - Inflammatory bowel disease
 - Non-alcoholic fatty liver disease (NAFLD)
 - Pancreatitis

Special Supplemental Benefits Chart

Eligibility requirements (continued)

- Chronic heart failure
- Chronic hyperlipidemia
- Chronic hypertension
- Chronic kidney disease (CKD) limited to:
 - CKD not requiring dialysis
 - CKD requiring dialysis/End-stage renal disease (ESRD)
- Chronic lung disorders limited to:
 - Asthma
 - Chronic bronchitis
 - Chronic obstructive pulmonary disease (COPD)
 - Cystic fibrosis
 - Emphysema
 - Pulmonary fibrosis
 - Pulmonary hypertension
- Chronic pain
- Conditions associated with cognitive impairment limited to:
 - Alzheimer's disease
 - Disabling mental illness associated with cognitive impairment
 - Intellectual disabilities and developmental disabilities
 - Mild cognitive impairment
 - Traumatic brain injuries
- Conditions that require continued therapy services in order for individuals to maintain or retain functioning
- Conditions with functional challenges and require similar services including the following:
 - Arthritis
 - Limb loss
 - Paralysis
 - Spinal cord injuries
 - Stroke
- Dementia
- Diabetes mellitus
- HIV/AIDS
- Immunodeficiency and immunosuppressive disorders
- Neurologic disorders limited to:
 - Amyotrophic lateral sclerosis (ALS)
 - Chronic fatigue syndrome
 - Epilepsy
 - Extensive paralysis (i.e., hemiplegia, quadriplegia, paraplegia, monoplegia)
 - Fibromyalgia
 - Huntington's disease
 - Multiple sclerosis (MS)

This is continued on the next page

Special Supplemental Benefits Chart

Eligibility requirements (continued)

- Parkinson's disease
- Polyneuropathy
- Spinal cord injuries
- Spinal stenosis
- Stroke-related neurologic deficit
- Overweight, obesity, and metabolic syndrome
- Post-organ transplantation care
- Severe hematologic disorders limited to:
 - Aplastic anemia
 - Chronic venous thromboembolic disorder
 - Hemophilia
 - Immune thrombocytopenic purpura
 - Myelodysplastic syndrome
 - Sickle-cell disease (excluding sickle-cell trait)
- Stroke

In addition to having one or more of the above chronic conditions, you must also:

- Have been discharged from an inpatient acute or non-acute facility within the past 30 days
- Receive a referral from a Utilization Manager or Care Management to qualify for this benefit

If you have questions about this benefit or your eligibility, call the Member Services number on your member ID card.

Benefits	What you must pay when you get these services
<p>You may be eligible to receive up to 6 hours of in-home support services per qualifying discharge. This benefit can provide help with:</p> <ul style="list-style-type: none"> • Meal preparation • Light housekeeping • Walking or moving around • Personal care and hygiene • Medication reminders • Other daily activities focused on improving or maintaining the status of your health <p>This benefit must be used within 30 days of your qualifying discharge.</p> <p>We have teamed up with The Helper Bees® to provide this benefit.
